

The Chambersburg Quilt Guild, Inc.
of Chambersburg, Pennsylvania

is pleased to announce
the publication of

Quilt Treasures of Yesteryear

*Antique Quilts of
Franklin County, Pennsylvania*

This hardcover book features 200 color photographs and narratives of historic quilts from the late 1700s to 1950. Selections were taken from over 1000 documented quilts. The quilts chosen for this publication are all a unique expression of the life and times of the people who lived in that era.

A brief history of the struggles of frontier pioneers to today's well-established, thriving communities is included with articles on the uniqueness of Franklin County quilts and the astounding changes of the quilting world since 1950.

This book would make a wonderful gift and outstanding addition to any collection. It is meant to be enjoyed by non-quilters as well as quilt enthusiasts everywhere.
